A GIFT *for* YOU

Dune Jewelry
Marina Bracelet

Turn your favorite beach into a handcrafted, custom sand jewelry that's made here in the USA.

Maker Holly Daniels Christensen wanted to capture the sunny memories of her childhood on the beaches of Cape Cod. She did this by turning sand into wearable gems. You can send her sand from your own chosen location or use the sand she already has. Her collection includes samples from over 1,500 beaches from around the world.

Each accessory is hand sanded, encased, then embellished with fine silver for a modern, matte finish. It's a personalized accessory you'll treasure. Whatever your favorite seaside location— even a golf course, ballpark, or hiking trail—now you can always carry it with you.

This Grommet is a customized product made to order just for you. We're working on your gift right now, and production takes several days. We're sure you'll love it when it arrives.
