LOGIC

A solution has come to the market that may help smokers mitigate the damaging effects of cigarette smoke: the e-cigarette, whose by product is only an odorless cloud of water vapor. Overwhelming customer feedback has enabled one brand - LOGIC - to state with confidence that once a smoker tries LOGIC, (s)he will not return to former methods of smoking – or to other brands of e-cigarettes. Of e-cigarette brands in the marketplace, LOGIC is the only PREMIUM electronic cigarette. Unlike the many "me too" brands, only LOGIC best fills all of the buckets that cigarette smokers need to assuage the desire. www.logiccig.com

THE CARMD VEHICLE HEALTH SYSTEM

CarMD is like having a mechanic in your glove box working in seconds to detect hidden engine problems, indicate if the vehicle is ready to pass an emissions test, and empower drivers to save money on car repairs year round. The CarMD solution includes an easy-to-use handheld device, Mac/PC software, USB cable, batteries and a handy caddy. Vehicle Health Reports reveal if your car has any technical service bulletins or safety recalls; when service is required, CarMD tells you exactly what's wrong and what it will take to fix it – down to parts and labor costs – so you never overpay for repairs. www.carmd.com

LEATHERMAN PRODUCTS

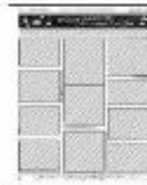

Mako Ti

The Mako bike tool is named after one of the fastest shark species in the world, not unlike you when you're up and running. For those unfortunate breakdowns though, the extremely lightweight and compact Mako features nine essential tools for a road or trailside fix to get you back up and running in no time. Complete with a bottle opener for the occasional "road soda," five metric box wrenches and two spoke wrenches; this is the first bike tool that you won't even notice in your pocket!

Piranha

The Piranha is a single-piece, multi-purpose pocket tool constructed from heat-treated, 100% stainless steel. A built-in rubber bit holder secures full size bits. Like the fish for which it's named, the Piranha pocket tool will help you get the job done quickly; tightening screws, loosening bolts, prying things open and popping the top on your favorite beverage. And, since you'll barely notice this super slim multi-tool in your pocket, it's perfect for everyday carry. It's also TSA-compliant so there is no need to worry about it when you board your next flight.

Brewzer

The Brewzer has been designed to pop the top on your favorite beverage in just one try, making it the only keychain bottle opener you'll ever need. The multi-purpose flat tip also acts as a mini pry tool. Made from high-grade, heat-treated stainless steel, the Brewzer fits perfectly on your keychain split ring (through the beer-bottle-shaped hole) or in your pocket.

LED Lenser H7

The H7 headlamp combines a lightweight, easy-to-wear feeling with the power of 155 lumens! The Advanced Focus System adjusts for either long-distance light or a circular low beam, making outdoor activities more comfortable and safer. This LED headlamp also features a stageless dimming function and a bezel that swivels so you don't have to.

THE WORLD ALMANAC AND BOOK OF FACTS 2013

A great present for everyone from parents to grandparents, students to sports fans, teachers to trivia fanatics, and everyone in between. Timely, yet always timeless, The World Almanac and Book of Facts 2013 boasts brand-new features including 2012 Election Results, London Olympics coverage and NCAA Football facts. Meanwhile, popular sections like Offbeat News Stories, Time Capsule, Top News

Topics and Year in Pictures make their return. At more than 140 years old, The World Almanac and Book of Facts remains a classic compendium of the most notable people, places and events, as well as details about technology, countries, movies, world records and more.

THERMAL AID BEAR

The Thermal Aid Bear is a colorful bear that children will fall in love with. The Bear is 100% natural and is basically a heating pad and a ice pack, wrapped in an adorable bear. The Bear can be heated up in a microwave. Set this cuddly warm bear right next to his or her's body and let them absorb the feel good warmth from both the heat and the security of a good teddy bear. The Bear can also be set in the freezer and given to your feverishly warm child. The teddy bear will be there to help moderate your child's temperature. www.thermal-aid.com

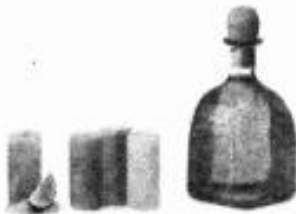

SALTS OF THE WORLD

This set of exotic salts is a treat for both the eyes and the taste buds. Six varieties are held in corked test tubes, showing off their unique variations even when not in use. The set includes finely textured red salt from Hawaii, coarse smoked salt from Denmark, delicate pink salts from Pakistan and Australia, white salt formed from the ocean in El Salvador, and black, flakey salt from the island of Cyprus. The tubes come displayed in a stylish, contemporary rack hand-cut from reclaimed cedar by Brett Cramer in the USA. Test tubes also made in the USA, salts from around the world. www.thespiceclub.com

HIMALAYAN SALT TEQUILA SHOT GLASSES

Spice up your next get-together with these extraordinary shot glasses. They have the finely veined, translucent appearance of rose quartz, but they are actually carved from the highest quality, food grade, 100% Himalayan pink salt.

The glasses naturally add the perfect nuanced, salty note to your favorite tequila. No need for messy table salt, just serve with lime wedges for a bite of citrus tartness. Holding 1.5 oz, they are an unique gift item available boxed sets of 4. (tequila not included) www.uncommongoods.com

CHICAGO - STYLE MILK CHOCOLATE TOFFEE

NFL HAND WARMER - A great stocking stuffer option for the football fan in your life. Show your pride as you cheer for your favorite team on the sidelines. Zippo's NFL Hand Warmer is also great for outdoor fun - think skiing, snowboarding, winter walks. The Hand Warmer is just a tad smaller than a deck of cards and uses lighter fluid to produce heat. However, while it burns lighter fluid, it doesn't produce a flame, making it a safe option. Moreover, the hand warmer stays hot for hours and is reusable, unlike the disposable hand warmers you buy at the grocery store. Each Hand Warmer even comes with a fleece warming bag embroidered with your team's logo.
