

LANYARDS CONVERSION GUIDE

How to convert your lanyard into a necklace or wristlet

To convert from a necklace to a wristlet.

- Disconnect the necklace from the phone holder. (Image 1)
- Separate the two necklaces from each other. (Images 2 & 3)
- Connect both ends of one piece of the necklace to the phone holder. (Image 4)

To convert from a wristlet to a necklace.

- Disconnect the wristlet from the phone holder. (Image 1)
- Insert the end of one of the necklace straps through the loop at the end of second necklace strap. Then insert the same end through the loop on the end of that same strap and pull tight. (Images 2)
- Connect both loops of the necklace to the phone holder. (Image 3)
